UPDATES FOR 2024:

New Roof

A new metal roof has been installed on the Township Hall. Everything went as expected and we are pleased with the results.

FROM THE TREASURER

As a reminder, the Garden Township Tax Collection Policy states that property taxes must be received by 5pm the day they are due and that post marks are not accepted. The mail is often slower than it has been in the past; if you are mailing your payment, please be sure to send it with ample time to arrive before they are due. You can also place your payment in the secure drop box that is built into the wall just to the right of the main entrance. The **Tax Collection Policy** is viewable on the Garden Township website.

PLANNING AND ZONING

Master Plan

The Planning Commission has been busy working with Dotty LaJoye from CUUPAD (Central Upper Peninsula Planning and Development) to develop the Master Plan for Garden Township. The progress can be viewed by accessing the link on the Garden Township website.

Zoning Requests

If you have any requests for zoning permits or land divisions, please submit them to our Zoning Administrator, Joe Maki, at (906) 241-9618.
